Project Documentation - Confirmation of Landing Page

A. Production Specification:

Please refer to the service agreement dated on 5 July, 2013.

B. Design Layout:

Design

The layout for index page and inner page are finished. Please refer to Fig. 1-6. The design of the rest of the inner pages will be based on Fig 2-6. If Customer requests further revisions, additional charges might be incurred.

Minor change(s) on color/line/pattern/word is accepted only if the change(s) does not affect neither the core design flow nor design theme nor the program structure, subject to the page and whole web.
